Camfil expands market leading position in the Nordics through acquisition of Resema AB & Resema A/S

Sweden, 02nd April 2020 - Camfil Svenska AB is proud to announce the acquisition of Resema AB and Resema A/S. [Resema](#) is a family-owned company, established in 1969 by Rune Sellö and has two production facilities in Sweden, in Tranås and Aneby, with sales offices in Stockholm and Malmö along with a sister company in Denmark.

"Camfil has a very strong brand and is family-owned just like us and share common values and focus on quality and sustainability. Therefore, we are a good fit in Camfil Group", says Magnus and Peter Sellö, owners of Resema.

Resema has around 65 employees and 100 million SEK in annual turnover.

Resema has uniquely positioned its focus on development, production and strategic sales of optimal air filtration solutions. Thanks to high trust and filter performance Resema has built a strong market position in Sweden.

"We welcome Resema to our Camfil family and together we will strengthen our offer in the Nordic market. The synergies between Camfil and Resema in terms of competence and products will allow us to create more value for our customers.", says Torbjörn Bäck, President Camfil Svenska AB

For more than half a century, Camfil has been helping people breathe cleaner air. As a leading manufacturer of premium clean air solutions, we provide commercial and industrial systems for air filtration and air pollution control that improve worker and equipment productivity, minimize energy use, and benefit human health and the environment. We firmly believe that the best solutions for our customers are the best solutions for our planet, too. That's why every step of the way – from design to delivery and across the product life cycle – we consider the impact of what we do on people and on the world around us. Through a fresh approach to problem-solving, innovative design, precise process control and a strong customer focus we aim to conserve more, use less and find better ways – so we can all breathe easier.

The Camfil Group is headquartered in Stockholm, Sweden, and has 30 manufacturing sites, six R&D centres, local sales offices in 30 countries, and 4,800 employees and growing. We proudly serve and support customers in a wide variety of industries and in communities across the world. To discover how Camfil can help you to protect people, processes and the environment, visit us at www.camfil.com.
